Wet Weather

In the event of rain and inclement weather please be advised that All Games are ON unless you are notified by your coach or Club Secretary

Our Facebook page and website will be updated in the event of wet weather.

Another Wet Season

As you are all aware we have had a very wet season with only 9 out of 12 games being played so far (U8 to U12) and 8 out of 12 for the U6, U7 and PL.

Spare a thought for the

teams that played in the 1989 season.

Starting the season with only two games played in April, one game played in May, no games played in June and the Six A Side cancelled it didn't look like there would be a competition at all. We even had a team of volunteers mow field 1 at Phillips park on ANZAC Day with their own push mowers to help let the field dry and this was said to have saved the field that year.

But the weather came good and in the end there were 11 out of 18 competition games played.

And in more recent times the 2021 season was tracking along nicely when the heavens opened and only ten rounds were completed until June 19th when the rest of the season was washed out and the painstaking decision was made in early August to abandon the competition.
